Company evidence | Basel-Landschaft

11 physical-operation records / 4 official contact / 28 campus resident / 13 register-only / 51 unresolved or conflict

107 retained rows; not unique entities or a canton census. Final source-reconciled register, 4 Nov 2026.

Physical operations supported. CARBOGEN AMCIS AG, SKAN Group AG, Idorsia Pharmaceuticals Ltd, Basilea Pharmaceutica, BÜHLMANN Laboratories AG, Alentis Therapeutics, Swiss BioQuant AG.

Official address / campus resident. Bachem Holding AG, Becton Dickinson AG, Altamira Therapeutics, Axxam (Basel), BlackWay Biosciences AG. These are not verified occupied laboratory suites.

Register-only leads retain the supplied legal/address evidence. They are not promoted to operating sites. Name links open evidence, not invented profiles.

Allschwil dominates reviewed offers. SONUVO is the measured current floor schedule; ALL is the measured future shell offer. SCALE and HOPE are separate non-additive future context.

20,646 m²
Measured current marketed offers
12 non-overlapping measured records | not lab vacancy
Final source-reviewed register | 4 Nov 2026

5,100 m²
Measured future marketed offers
Separate from current offers and refurbishment.
Final primary-source register | 4 Nov 2026

Current source-reviewed offers | selected building / floor schedule

Building / floor or unit	Advertised use	m²	Delivery	Linked source / date
H89 EG 2,237; OG 1 2,202; OG 2 2,137; OG 3 1,991; OG 4 1,911 m²	Lab / office	10,478	Immediate / agreement	H&B Real Estate AG (appoin... review 4 Nov 2026

SONUVO. 12 disjoint aboveground H89/G06 floors total 20,646 m². H89 lab-labelled floor areas include offices/support; not a fitted-lab room total. Campus/basement/terrace headlines are excluded; H89 whole-building versus partial-letting statements conflict. H&B Real Estate AG (appointed marketer; property owner not established) / review 4 Nov 2026.

ALL. Exact measured future offer: 5,100 m² from 2027 (1st 4,000 + ground 1,100), shell lab/office. SENN FAQ instead gives ground just under 1,400 m²; timing/scope conflict retained. SENN / SENN Resources AG / review 4 Nov 2026; SENN / SENN Resources AG / review 4 Nov 2026.

Future context, excluded from the measured subtotal. SCALE: up to 28,000 m² mixed lab/office/production capacity from 2030; no exact uncommitted balance. HOPE: marketed 130–8,000 m² office/service range from 2028, not an additive inventory total (SENN minimum about 150 m²). SENN / SENN Resources AG / review 4 Nov 2026; Switzerland Innovation Park Basel Area / review 4 Nov 2026.

Current exclusions. HORTUS is fully booked on its dedicated page; no quantified current offer. Muttenz Wildensteinerstrasse 1: expired 3,791 m² listing excluded; status unknown, not inferred let. SENN / SENN Resources AG / review 4 Nov 2026; Homegate (original portal; former advertiser not established) / review 4 Nov 2026.

Future / refurbishment | not current marketed delivery

Building / floor or unit	Advertised use	m²	Delivery	Linked source / date
ALL 1st 4,000; Ground 1,100 m²	Lab / office shell	5,100	2027	SENN / SENN Resources AG review 4 Nov 2026

Regional laboratory leasing outlook

10,000–15,000 m² annually | Basel-region forecast over a 2-3 year outlook.

Not BS/BL demand or measured absorption; no comparison to mixed-use offers or years-of-supply calculation. Supplied report: JLL Research, EMEA 2026 Life Sciences Industry & Cluster Report, slide 12; report dated 2026, reviewed 4 Nov 2026.
