Basel-Stadt | documented address clusters

© swisstopo SWISSIMAGE. Retrieved 4 Nov 2026; acquisition date unconfirmed. Dots: official postal references, not tenancy. Documented-address extent, not canton boundary.

01 St Johann / Novartis
02 Roche / Kleinbasel
03 Rosental Mitte
04 Klybeck / Stücki
05 University / hospital
06 SBB / Aeschen / HQ offices

Company evidence | Basel-Stadt

5 physical-operation records / 16 official contact / 37 campus resident / 15 register-only / 65 unresolved or conflict

138 retained rows; not unique entities or a canton census. Final source-reconciled register, 4 Nov 2026.

Physical operations supported. SpiroChem AG, Boehringer Ingelheim / NBE-Therapeutics AG, Medartis Holding AG, Celonic AG, ten23 health AG.

Official address / campus resident. Novartis AG, Roche Holding AG, Lonza Group AG, BioVersys AG, Granite Bio. These are not verified occupied laboratory suites.

Register-only leads retain the supplied legal/address evidence. They are not promoted to operating sites. Name links open evidence, not invented profiles.

City-canton offers concentrate in Neues Klybeck, Stücki and Campus Klybeck. Measured marketed premises span laboratory, office and support uses; not net vacant laboratory area.

16,429.5 m²
Measured current marketed offers
22 non-overlapping measured records | not lab vacancy
Final source-reviewed register | 4 Nov 2026

Not established
Measured future marketed offers
Separate from current offers and refurbishment.
Final primary-source register | 4 Nov 2026

Current source-reviewed offers | selected building / floor schedule

Measured offers, not net vacancy. Mixed advertised uses; floors and units counted once. The table is selected; complete records remain in the offline site. Neues Klybeck / Quarter12: 6,627 m² in separately advertised office/lab units, not a fitted-lab floor count.

K-25 / K-410. K-25 contributes 2,195.5 m² of office, meeting and storage offers, not the 15,400 m² campus headline. K-410 owner refurbishment and operator ready-to-use lab marketing coexist; available module inventory is unquantified. Swiss Life Asset Managers / Campus Klybeck / 17 Sep 2026; Walter Spaces (laboratory/coworking operator) / review 4 Nov 2026.

Stücki. HO60B is a 399 m² advertised shell, versus 410.71 m² in linked plans updated 21 Apr 2026; not two additive offers. HO70 is office, not lab. Superlab marketing has no measured available inventory. Swiss Prime Site Immobilien / Stücki Park; Wincasa property management / review 4 Nov 2026.

Regional laboratory leasing outlook

10,000–15,000 m² annually | Basel-region forecast over a 2-3 year outlook.

Not BS/BL demand or measured absorption; no comparison to mixed-use offers or years-of-supply calculation. Supplied report: JLL Research, EMEA 2026 Life Sciences Industry & Cluster Report, slide 12; report dated 2026, reviewed 4 Nov 2026.
