Basel-Stadt / canton overview

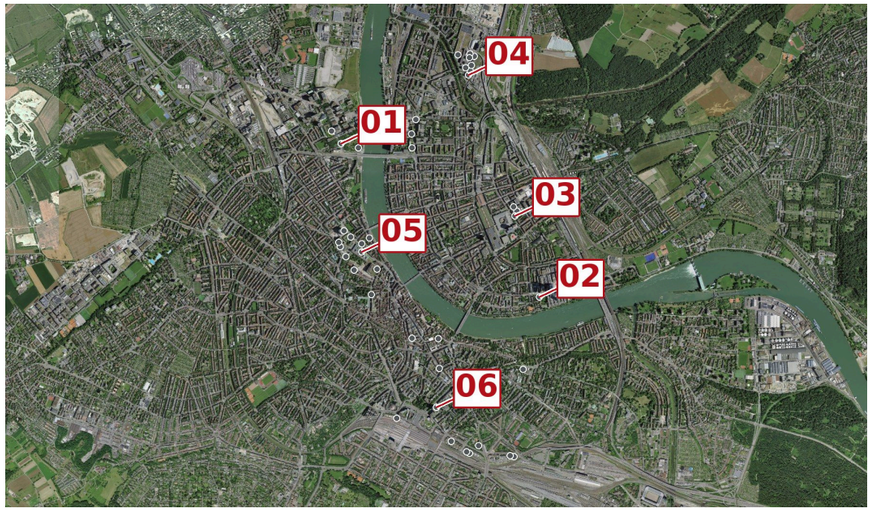

Separate one-page market paper / BS and BL only / 4 November 2026

Basel-Stadt combines large pharmaceutical campuses with university research, city-centre headquarters and multi-occupier redevelopment districts. Campus scale does not establish a tenant suite, current vacancy or company-occupied area.

50
Occupier inventory rows

123
Campus / building rows

99
Matched postal references

© swisstopo (SWISSIMAGE). Acquired date unconfirmed; retrieved 4 Nov 2026. Grey dots are official postal references, not verified tenancy. Codes match the district list; extent covers documented addresses, not the entire canton.

Occupancy and property due diligence

Lease terms, rent, occupied area and local staff remain Unknown unless disclosed for the named site. Park size is not vacant or tenant-occupied lab area.

> Coverage is every documented address encountered in the stated sources, plus retained source-safe baseline records. It is not an exhaustive canton census. Company address points verify postal position, not an occupied suite. Campus-residency references remain a separate layer.

Documented submarkets

01 St Johann / Novartis Campus

Active global headquarters and biomedical R&D campus with external-company offices, an innovation-park coworking operation and the occupied FMI research building. See the full submarket section.

Basel · [455] [456] [457]

02 Roche / Kleinbasel

Active Roche headquarters, pharmaceutical research and development and synthetic-molecule development/launch-production campus undergoing internal consolidation and reinvestment. See the full submarket section.

Basel · [381] [382] [383]

03 Rosental Mitte

Active multi-tenant laboratory, development and office campus. See the full submarket section.

Basel · [407] [408] [413]

04 Klybeck / Stücki northern research corridor

Active research, drug-product development, medtech production and serviced-laboratory corridor, not an inferred relocation market. Stücki has verified current Lonza, NBE, BioVersys, Medartis, Superlab and Alira addresses. See the full submarket section.

Basel · [314] [315] [316]

05 Schällemätteli / university hospital research campus

Occupied academic and clinical research district with institution-led development, not an evidenced multi-tenant commercial laboratory leasing campus. See the full submarket section.

Basel · [357] [358] [359]

06 Basel SBB / Aeschen / Downtown headquarters district

An operating headquarters, regional management, clinical-development and investment-office district, not a demonstrated shared wet-laboratory or manufacturing campus. See the full submarket section.

Basel · [439] [440] [453]

Basel-Stadt / occupancy and property read

Basel-Stadt

St Johann / Novartis Campus

Active global headquarters and biomedical R&D campus with external-company offices, an innovation-park coworking operation and the occupied FMI research building. Building 210 is currently marketed for office occupation, but no dated available-floor schedule or vacant area is disclosed.

[455] [456] [457] [458]

Roche / Kleinbasel

Active Roche headquarters, pharmaceutical research and development and synthetic-molecule development/launch-production campus undergoing internal consolidation and reinvestment. The pRED complex is operating; Building 92 was inaugurated in March 2026.

[381] [382] [383] [384]

Rosental Mitte

Active multi-tenant laboratory, development and office campus. Current company and institution pages establish chemistry research, biologics process development, sterile product development, GMP quality-control testing, agricultural-technology headquarters and animal-health corporate functions.

[407] [408] [413] [394]

Klybeck / Stücki northern research corridor

Active research, drug-product development, medtech production and serviced-laboratory corridor, not an inferred relocation market. Stücki has verified current Lonza, NBE, BioVersys, Medartis, Superlab and Alira addresses.

[314] [315] [316] [317]

Schällemätteli / university hospital research campus

Occupied academic and clinical research district with institution-led development, not an evidenced multi-tenant commercial laboratory leasing campus. Biozentrum and BSS are operational; Pharmazentrum and the hospital district are current institutional locations.

[357] [358] [359] [360]

Basel SBB / Aeschen / Downtown headquarters district

An operating headquarters, regional management, clinical-development and investment-office district, not a demonstrated shared wet-laboratory or manufacturing campus. Primary company pages establish multiple actual offices; Noema's place-of-business address has a dated legal-source limitation.

[439] [440] [453] [425]

This core book retains the finite company/address, building/property and dated-action schedules. Complete source fields, measurement bases, historical observations, residency directories and gap leads remain in the full CSV/JSON companion. Inventory rows are not unique companies or an exhaustive canton census. Current offers do not prove vacant possession; planned and deferred supply is not occupation.

Basel-Stadt / complete company and institution address inventory

Basel-Stadt

Company / institution	Published address / reference	Function / evidence status	Source IDs
Novartis AG / group-level campus reference	Fabrikstrasse 2, Novartis Campus, CH-4056 Basel, Switzerland Official postal point; not suite	Global company headquarters and R&D campus; not an assertion that Novartis AG itself occupies a particular suite at the gate address. Historical source / measurement	[455] [456] [470] [471]
Novartis Pharma AG / Biomedical Research	Fabrikstrasse 2, Novartis Campus, CH-4056 Basel, Switzerland Official postal point; not suite	Official directory's Biomedical Research entry: Novartis Pharma AG / Novartis Institutes for Biomed. Research. Separate physical laboratory evidence is retained at Fabrikstrasse 22. Current reference; suite unverified	[456] [466]
Novartis Pharma AG / pharmaceutical division contact	Forum 1, Novartis Campus, CH-4056 Basel, Switzerland Unlocated; no fallback pin	Pharmaceuticals entry, distinct from the research contact at Fabrikstrasse 2. Current reference; suite unverified	[456]
Novartis International AG	Forum 1, Novartis Campus, CH-4056 Basel, Switzerland Unlocated; no fallback pin	Corporate-directory entity; not a separately measured tenant. Current reference; suite unverified	[456]
Novartis Holding AG	c/o Novartis International AG, Forum 1, Novartis Campus, CH-4056 Basel, Switzerland Unlocated; no fallback pin	Corporate holding-company contact only; a c/o address does not establish separately occupied space. Current reference; suite unverified	[456]
Novartis Pharma Services AG	Lichtstrasse 35, CH-4056 Basel, Switzerland Official postal point; not suite	Official pharmaceutical-services company contact. Exact physical departmental allocation is not supplied. Current reference; suite unverified	[456]
Switzerland Innovation Park Basel Area AG / Novartis Campus site	Site Novartis Campus, Lichtstrasse 35, 4002 Basel, Switzerland Official postal point; not suite	Current operator of furnished private offices and fixed-desk coworking for healthtech ventures. The dated floor-opening article documents the 15th floor and DayOne accelerator in 2024. The present page expressly offers domicile addresses, so individual resident addresses may not establish a separately occupied office. Historical source / measurement	[460] [461] [459]
Ultragenyx / EMEA headquarters	WSJ 210/11, Lichtstrasse 35, Postfach 3775, 4002 Basel, Switzerland Official postal point; not suite	EMEA headquarters of the rare-disease medicines company. This source identifies an office/HQ function, not Swiss gene-therapy manufacturing or a wet-laboratory facility. Current reference; suite unverified	[464] [460]
SOTIO Biotech AG	Lichtstrasse 35 - WSJ-210, 4056 Basel, Switzerland Official postal point; not suite	Swiss company office/contact. Swiss contact page provides business-development and clinical-department contacts; it does not allocate laboratory or manufacturing space to Basel. Current reference; suite unverified	[463]

Basel-Stadt / complete company and institution address inventory

Basel-Stadt

Company / institution	Published address / reference	Function / evidence status	Source IDs
FoRx Therapeutics AG	Lichtstrasse 35, 4056 Basel, Switzerland Official postal point; not suite	Clinical-stage oncology company researching DNA-replication-stress therapeutics. Current contact address plus campus-operator reference establish a campus-associated company contact, not a measured onsite laboratory. Current reference; suite unverified	[462] [460]
ISS Facility Services AG / campus property/facility-management mandate	No company street address established Unlocated; no fallback pin	The campus brochure identifies ISS as in charge of real-estate and facility-management services. This is a management role, not proof that ISS is landlord, owner or occupier of a separate suite. unknown primary_operator_brochure_role; document_revision_metadata_2026_not_publication_date unknown	[459]
Friedrich Miescher Institute for Biomedical Research / FMI	Fabrikstrasse 24, 4056 Basel, Switzerland Unlocated; no fallback pin	Biomedical research institute. Institute contact page explicitly locates it on Novartis Campus; research platform page describes its move in 2024. Lounge access is separate from registration required beyond the lounge. Current reference; suite unverified	[465] [466]
Applied Tissue Models Center / shared FMI/Novartis platform	Fabrikstrasse 22, Novartis Campus, Basel, Switzerland Unlocated; no fallback pin	Organoid and complex cellular-model development, miniaturization and fully automated high-content screening. Shared platform physically split between Novartis at Fabrikstrasse 22 and FMI at Fabrikstrasse 24. Current reference; suite unverified	[466]
Applied Tissue Models Center / shared FMI/Novartis platform	Fabrikstrasse 24, Novartis Campus, Basel, Switzerland Unlocated; no fallback pin	Organoid and complex cellular-model development, miniaturization and fully automated high-content screening. Shared platform physically split between Novartis at Fabrikstrasse 22 and FMI at Fabrikstrasse 24. Current reference; suite unverified	[466]
DayOne / accelerator reference	No company street address established Unlocated; no fallback pin	Dated operator article places the accelerator team on the 15th floor of the campus coworking operation in 2024; present campus resident directory retains DayOne. No independently verified current standalone company suite. Historical source / measurement	[460] [461]
Novartis Pavillon	St. Johanns-Hafen-Weg 5, 4056 Basel, Switzerland Official postal point; not suite	Science exhibition, meeting and event venue; not a life-science tenant or laboratory suite. Current reference; suite unverified	[471] [473]
F. Hoffmann-La Roche AG / Basel headquarters and operating campus	Grenzacherstrasse 124, CH-4070 Basel, Switzerland Official postal point; not suite	Physical campus operator; headquarters, pRED, clinical-development functions and synthetic-molecule development/launch production Current reference; suite unverified	[381] [384] [385] [386] [393]

Source IDs [455] [456] [470] [471] [466] [460] [461] [459] [464] [463] [462] [465] [473] [381] [384] [385] [386] [393] · Source index

Basel-Stadt / complete company and institution address inventory

Basel-Stadt

Company / institution	Published address / reference	Function / evidence status	Source IDs
Roche Institute of Human Biology / Building 92	No company street address established Unlocated; no fallback pin	Named Roche institute occupant; advanced human-model-system research, not an independent external tenant Current reference; suite unverified	[388] [389]
360 Labs of Pharma Research and Early Development / Building 92	No company street address established Unlocated; no fallback pin	Roche pRED function explicitly listed as a building occupant; not a separate corporate tenant Current reference; suite unverified	[389]
Pharma Technical Operations / Building 92	No company street address established Unlocated; no fallback pin	Roche department explicitly listed as a building occupant; not proof that Building 92 is a commercial production plant Current reference; suite unverified	[389]
Institute of Human Biology	No company street address established Unlocated; no fallback pin	Unknown Completed / attributed evidence	[388] [389]
Syngenta Crop Protection AG	Rosentalstrasse 67, 4058 Basel, Switzerland Official postal point; not suite	Company-published global headquarters for agricultural technology and crop protection; not proof of local manufacturing Current reference; suite unverified	[417] [410] [401]
SpiroChem AG	Rosental Area, WRO-1047-3, Mattenstrasse 22, 4058 Basel, Switzerland Official postal point; not suite	Chemistry research partner providing drug-discovery and process-R&D services Current reference; suite unverified	[415] [401]
Celonic AG	Mattenstrasse 22, 4058 Basel, Switzerland Official postal point; not suite	Basel headquarters and Biologics Development and Innovation Center; cell-line, process and method development, optimization and non-GMP pilot-scale manufacturing Current reference; suite unverified	[398] [397] [401] [400]
ten23 health AG	Mattenstrasse 22, 4058 Basel, Switzerland Official postal point; not suite	Sterile-product formulation, process, primary-packaging and analytical development; Line 0 non-GMP sterile pilot manufacture; GMP physico-chemical QC release and stability testing Current reference; suite unverified	[419] [418] [401]
