BioCapital

Maryland • Virginia • Washington, DC

OCCUPANCY READ Known actions include a Baltimore lab-office opening, announced Frederick and Gaithersburg construction, and Rockville manufacturing operator changes. The acquisitions preserve existing facilities; the announced Maryland expansion is not completed capacity.

C = company callout; A = analytical family (including Others). Full retained record IDs shown. Company-name hyperlinks open company websites, not Atlas profiles; find company details by ID in the companion working/offline site. No published profile URL is approved.

Primary-area comparison / physical-site evidence

Top 8 + Others preserve totals. Baseline companies assigned once; research observations may repeat entities/sites or overlap the baseline.

Base = selected profiles; Res. obs. = company/site research records with possible entity overlap. Operating = current supported site records; precise = address matches, not tenancy proof. Typed plan leads cover structured site records only; zero is not absence of planning actions. Priority is record-based analyst assumption, not lease credit; U = unscored.

Cash period ends: 2025-12-31 to 2026-09-25. Exact global cash/equivalents; stale/unknown = n/a, not zero. Not local capital, demand, guaranty or lease credit. Cross-hub cash is not additive.

Source-linked physical actions | 2025–2026 evidence

OPERATOR TRANSFER 2026-07-02
Bora Biologics
Acquired MacroGenics' existing Rockville GMP operations and associated Frederick warehouse. Completed operator change, not a new-build or proven net space increase.
Rockville and Frederick, Maryland [1]

OPERATOR TRANSFER 2026-03-31
Samsung Biologics
Completed purchase of GSK's existing Rockville manufacturing site. Production continues under Samsung; the transfer does not establish net new regional space.
Rockville, Maryland [2]

PLANNED 2025-11-21
AstraZeneca PLC
Planned Frederick biologics expansion and new Gaithersburg clinical-manufacturing facility; both target 2029 operation. Announcement is not completed capacity.
Frederick and Gaithersburg, Maryland [3]

OPENED 2025-01-15
University of Maryland BioPark
4MLK officially opened in January 2025, adding a 250,000 sq ft lab-office building in West Baltimore. Building area is not tenant absorption.
West Baltimore, Maryland [4]

4 selected actions; not net regional absorption. 0 lack a retained event date; cited disclosure dates are in the source index. Full claims, quantities, units and source visibility remain in JSON.
